

2024 *Wine Guide*

Our TCW Story

Our story began in December of 2009 when our three children gave us a wine making kit for Christmas. Almost immediately, Daniel had a new passion! Our home garage quickly became a wine production area, followed by Daniel enrolling in wine making classes at UC Davis in California. Our friends and family became the lucky recipients of his creations, resulting in a constant request for more wine.

Over the past 25 years we spent a lot of time at the wineries in Michigan, where our love for the entire wine industry began. As we enjoyed a bottle of wine at other wineries, we dreamt of opening our own so we could share our knowledge and experience with others. On a beautiful Indiana summer night in 2014, as the family shared a bottle of Daniel's wine on the back patio, the name "Tippy Creek Winery" was born. Created from the fact that the Tippecanoe River runs just behind our property, and the last half of our name "Richcreek".

Seven years following the wine making kit from our children, the doors of Tippy Creek Winery opened in June of 2016; making our dream a reality. Daniel often said, "build it and they will come", he was exactly right! Thank you to all our customers, friends and family for helping us along this journey, we are truly humbled and blessed to share this WINE experience with you.

*Cheers,
Daniel and Lori Richcreek*

Wine, Cider and Beer Flights

Wine/ Cider /Beer flights, also sometimes referred to as tasting flights, are tastings of multiple Wine/ Cider / Beer, which allows customers to customize their wine experience.

They are usually intended for those new to the experience of tasting wine, or those who want to increase their understanding of a specific region or vintage.

We rotate beer and cider seasonally.

Red Dry Wines

Cabernet Franc

Lively aromas of raspberry, tart cherry, and vanilla fill the glass, topping off the bouquet with hints of pink peppercorn. An herbal note like tobacco leaves in a cedar chest and mouthwatering acidity accent the fruit. Aged in Michigan and French oak, this silky sweet, medium body wine lingers with flavors of melted chocolate and an allspice finish.

Motorboating Merlot

A dry wine similar to a light Chianti with acidity to handle fatty foods. Oaked with black cherry and raspberry flavors.

Sunset Sayrah

Rich flavor of raspberry and pink peppercorn. Hints of vanilla and spice makes this wine great for day drink and especially great in the fall.

Dewart Dry Dock

Dry red blend with Chancellor, Chambourcin, Merlot, Cabernet Franc, Cabernet Sauvignon. Dry-yet-fruity full body of ripe plum, black cherries and black raspberry flavors.

Tippy Zippy Red

Double Gold Medal Winner

Named after the winery dog Zippy! Dry red blend with Foch, DeChaunac, Rougeon, and Chancellor. Dark Cherries, wild berries and a bit of plum.
